

“LEVAN”

Wine List

In honour of our favourite disco DJ Larry Levan, in this list we've put together a selection of our favourite wines. Hopefully they'll take you somewhere near seventh heaven and back again, or at least mountain high and river deep. These wines have been made with care and love, the majority by low intervention, organic or biodynamic winemakers who care as much about the environment as what's in your glass. Welcome to the party!

The Jura

The Jura is a beautiful area in Eastern France, in the foothills of the Alps and a neighbourly distance from its famous cousin Burgundy. A rustic place famed for its gorgeous dairy products from unique cattle breeds - it is also one of France's most over-looked wine-producing areas.

With its unique grape varieties *Savagnin*, *Trousseau* and *Poulsard*, as well as its fine examples of *Pinot Noir* and *Chardonnay*, and its legendary winemakers and practices, the Jura is a particularly fascinating and delicious region.

Jura whites are made in two styles - 'ouillé' and 'sous voile'. More on these below.

Jura reds tend to be delicate, bright & perfumed wines balanced by earthiness and rusticity.

Ouillé white//

Ouillé refers to wine made conventionally (without any oxidation). These wines resemble those of nearby Burgundy, but are uniquely salty and zippy thanks to the Jurassic *terroir* and microclimate.

Domaine Chevassu-Fassenet, Chardonnay 2018 <i>Chardonnay</i>	54

<i>"Believe the hype, Julien's wines are stunning. Laser-like acidity and freshness, with classy weight"</i>	
<i>Sous Voile White // Vin Jaune</i>	

Sous voile is the Jura's signature-style, allowing a layer of yeast (the voile or 'veil') to form over wine in barrels so it undergoes controlled oxidation. This technique imparts intense flavours of walnut and

hazelnut, stewed apple and dried hay, and is similar to the technique used in southern Spain to produce some sherries. Vin Jaune is the Jura speciality - 100% Savagnin grapes that are aged *sous voile* in barrel for over 6 years, and bottled in its unique 620ml '*clavelin*' bottle. The oxidation turns the wine a glorious golden-yellow hue, hence the name.
