Capacity:

Our Restaurant Levan is inspired by influences from European bistro culture, namely Paris, Copenhagen, Berlin and Stockholm. Nods to head chef Philip's penchant for Japanese cooking techniques and Austrian heritage also play a part in our cooking style, which is both nuanced and refined.

We can offer either a tasting menu format or family style sharing dish experience.

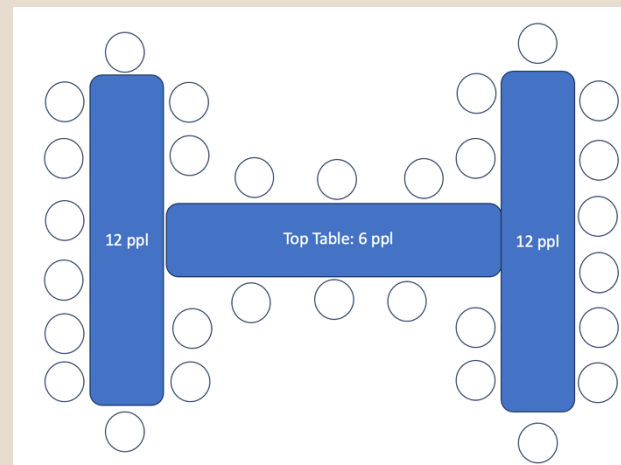

Our menus change monthly and varies with the seasons. Our current menus can be found on our website and private hire menus are designed in collaboration with those booking the space.

Whatever you decide we'd always recommend our signature dish of Comte fries and saffron aioli – one not to miss!
