

„LEVAN“

In honour of our favourite disco DJ Larry Levan, in this list we've put together a selection of our favourite wines. Hopefully they'll take you somewhere near seventh heaven and back again, or at least mountain high and river deep. These wines have been made with care and love, the majority by low intervention, organic or biodynamic winemakers who care as much about the environment as what's in your glass. Welcome to the party!

Pét Nat

Albert de Conti, NV Petillant Naturel, Sauvignon Blanc, Chenin Blanc - Bergerac, France 56.5

“The De Conti family originates from Italy, South of Treviso, in the Veneto who settled in the village of Ribagnac in 1925 and started to cultivate vines in the late 1980s. This pet nat is the culmination of their hard work, bringing to life a ripe, fruity and zesty wine.”

Yves Duport, NV L'Intact, Gamay - Bugey, France 65

“A dry, unfiltered pink pét-nat made biodynamically in the tiny Alpine region of Bugey. Lightly pressed to keep it all fruit and no tannins, it's bursting with strawberries, cherries and a hint of rhubarb, with a gentle, natural fizz and a super clean finish. Brilliant with richer dishes or as a sharpener before the main event.”

Traditional Method

Pago de Tharsys, NV Medusa, Cava Brut Nature, Macabeo & Parellada - Valencia, Spain 39

“Fresh with fine bubbles, citrus fruit and floral notes. A classic Cava for any celebration!”

Les Hautes Terres, NV Josephine Crémant, Chardonnay, Chenin Blanc - Limoux, France 80.5

“This wine is a 'brut nature', the driest category for sparkling wine meaning no sugar remains. The wine is blended with other vintages aged for 9 months in barrels before going into the bottle, which gives the wine its characteristic, rich and faintly oxidative character. The fruit is still fresh pear and apple, with some deeper notes of dried stone fruit too. Dry, rich, and complex.”

Jurtschitsch, 2017 Brut Nature, Grüner Veltliner - Kamptal, Austria 92

“This is one of Austria's oldest estates, dating back to the 16th century. The Jurtschitsch family took over the reins in 1868 and in 2010 converted it to organic farming. This sparkling wine is made from Grüner Veltliner grapes and has a lovely fresh grassy note with lemon zest and thyme. On the palate there are notes of fruit custard, lemon balm and a slight salinity on the finish.”

Domaine Hugo, 2022 Hugo, Chardonnay, Pinot Noir, Pinot Meunier, Pinot Gris - Wiltshire, UK 97

“From chalky Wiltshire soils comes this quietly assured English sparkler. Hugo Stuart, once a winemaker in the south of France, now tends his home vineyard with biodynamic precision. A traditional method blend, this wine is all crisp orchard fruit and fine brioche notes. There's richness and depth, but it finishes with clarity — an elegant, bone-dry fizz that holds its own.”

Vadin-Plateau, NV Renaissance Premier Cru, Pinot Meunier - Champagne, France 115.8

“Renaissance is a Blanc de Noirs, produced solely from Meunier grapes on 40 yo vines, offering an attractive nose of sweet pears, white flowers and freshly baked brioche. Creamy and expansive on the palate with a lovely texture and length.”

- Bodegas Pigar, 2020 Chardonnay - Utiel Requena, Spain** 47
“Grown on vines that are sixteen years old on a chalk-sandy soil, Pigar adopts a low intervention approach at the winery with no addition of any additives. Direct vertical press, the must goes through a process of the oxidation with four transfers and becomes black, called the black chard technique. Left in tank six months with its lees. A little wild, but elegant too, with well integrated and citrus finished.”
- Lyrarakis, 2024 Dafni - Crete, Greece** 47.5
“A true Cretan treasure, you’ll discover a wonderfully herbaceous wine with aromatic notes of bay leaf, thyme, and lemon zest. Bone dry with a refreshing citrus finish, it’s an aromatic adventure that showcases the uniqueness of the Dafni grape – a native variety saved from extinction by the Lyrarakis family.”
- Passione Natura, 2021, Trebbiano D’Abruzzo U.V.A. - Abruzzo, Italy** 47.5
“A beautifully honest expression of this grape from the hills of Abruzzo. Light and bright on the palate, with a gentle salinity and dry, refreshing acidity. Clean mineral tones are layered with subtle notes of honeydew melon and fresh herbs. A quietly complex wine that’s both easy to enjoy and thoughtfully made.”

- Michael Delhommeau 2022 Le Fief Seigneur, Muscadet - Loire, France 57.5**
 “A vibrant, organically farmed Muscadet from volcanic soils south of Nantes. This wine is aged sur lie for over a year in glass-lined concrete vats, adding texture and depth to its naturally crisp profile. Bright lemon and exotic fruit on the nose lead into a round, mineral-driven palate with refreshing acidity and a saline edge.”
- Celler Pardas, 2022 Rupestris, Xarel·lo & Malvasia de Sitges - Catalunya, Spain 60.5**
 “A blend of native varietals fermented in stainless steel. Pure citrus fruit on the finish.”
- Domaine de Haute-Perche, 2023 Anjou Blanc, Chenin Blanc - Loire, France 65**
 “Mineral-driven from the schist-rich soils of Anjou, with a nose of bright citrus, green apple, and white blossom. The palate adds texture and a sherbet-like acidity that keeps things vibrant and refreshing. This is crisp, modern Loire at its best- a natural fit for shellfish, pork, or anything needing a clean, zesty lift.”
- Roberto Oliván, 2022 Tentenublo Blanco, Viura, Malvasía, Garnacha Blanca - Rioja, Spain. 67.5**
 “A bold, high-altitude white Rioja, this organic blend layers ripe stone fruit, citrus and gentle spice over a mineral backbone, with a rich, oily mouthfeel balanced by bright acidity. No oak, just pure texture and tension. Think Chablis with a Spanish soul.”
- Christophe Mittnacht, 2022 Gyotaku, Pinot Blanc, Gris, Riesling, Gewurtz - Alsace, France 68.8**
 “Citrus and stone fruit flavours, along with a touch of floral and mineral notes. Aromatic, ripe melon, yellow pear, pineapple, lychee and white flowers with hints of butter. Rounded yet fresh with hints of spice on the finish, reflecting the terroir of Alsace.”
- Marc Jambon et Fils, 2023 Cuvée Classique, Chardonnay - Burgundy, France 69**
 “A beautiful expression of Mâconnais Chardonnay, this wine dazzles with ripe white peach and a hint of oyster shell minerality. Made by the Jambon family, who’ve been crafting wines since 1750, it’s a beautifully balanced, low-yield wine with a crisp, slightly salty finish.”
- Domaine La Luminaille, 2023 Luminaris, Clairette, Marsanne, and Bourboulenc - Rhône, France 69**
